JIANLI CABLE

因为专注 所以专业

To Make The Best Vehicle Electronic Cable  
做最好的汽车电子线材

JianLi Electric Cable Co., Limited

## About us

东莞市建利线材有限公司成立于2004年，是一家专业从事研发、生产和销售汽车电子线材的专业工厂。目前有三个生产基地，分布在广东东莞、广西博白、广东连平，工厂面积12000平方米，有500多名员工。公司秉承“做最好的汽车电子线材”的经营理念，十年来，一直专注于汽车电子线材的研发生产，不断引进先进的生产设备和生产技术，不断引进和培养一大批高素质的专业人才，对汽车电子线材的可靠连接、防水性能、信号传输，甚至对特种车辆所要求的低温、抗油、防腐蚀等都可以完全满足客户的需求。同时，工厂开发拥有一千二百多套插头模具，并成立工厂自己的线材实验室，从各方面提升线材品质，严控产品质量。十多年的不懈努力，得到国内外客户的高度认可，所生产的产品广泛用于汽车后视镜系统、高铁影音系统、倒车摄像头、GPS行车记录仪、安防设备、医疗设备等电子产品上。

Jianli Electric Cable Co.,Ltd, established in 2004, is a professional factory specializing in developing,manufacturing and selling vehicle electronics cables. Owning 12000 square meters area of 3 production bases located in Dongguan Guangdong,Bobai Guangxin and Lianping Guangdong, now Jianli has total more than 500 employees. During the passed 10 years, Jianli is always advocating "To make the best vehicle Electronic Cable", thus keep importing advanced equipment & technologies, attracting and educating a large number of high-quality professionals.All these action enable Jianli to full meet customers' cable requirements relating to reliable connection, waterproof, signal transmission, even cold resistance, oil resistance,corrosion resistance to special vehicle. Currently, factories have total more than 1300 sets of moulds, set up its own cable laboratory so as to improve cable material in every way and control production quality strictly. After 10 years of innovation and efforts, Jianli access to highly recognised throughout domestic and global customers, successfully promote production to vehicle rear view systems, vehicle reversing systems, A/V systems of high-speed rails, GPS recorders, security systems, and medical devices,etc.

### 我们的优势/Our advantages:

**技术优势:** 建利线材坚持以客户为中心，打造行业最专业的研发团队。最早在国内推出航空插头应用于汽车后视镜系统，并相继研发出一系列的带锁扣的防水插头。对带多路摄像头的信号处理上，研发出13P到22P的多种单独屏蔽的信号线，很好的解决了信号的干扰问题。得到客户的一致认可。同时，根据个别客户的特殊要求，开发制造特殊插头，很好的全范围在线材方面满足客户的需求。

**Technology:** Jianli is always adhere to customer-centric and built the most professional development team in area. We are the first to make aviation connector for vehicle rear view systems, and developed series of waterproof connectors with locks. For signal transmission of multi ways cameras, we specially developed various signal cable composted with 13PIN to 22 PIN with separated shielding, and won customers' highly speaking. Besides, we specially develop and make plugs according to customers' diversified demand in full range of electronics cables.

**品质优势:** 建利线材十年来坚持不懈的改善和提升企业管理，全员推行ISO9001品质管理系统，集十多年的生产品质管理经验，更好的满足客户对质量的要求。工厂成立线材实验室，对所有的线材进行各种综合性能测试，如摇摆实验，高低温实验，盐雾实验，拉伸实验，防水实验等等。建立第一手实验数据并持续改进。

**Quality:** During the passed 10 years, Jianli is always focusing on developing and improving enterprise management, promote ISO quality control systems thoroughly. These excellent works includes setting up a cable laboratory to carry out all kinds of comprehensive performance testing such as sway test, high&low temperature test,salt spray test,tensile test, water proof test,etc. All experimental data are saved for constant improving.

**服务优势:** 东莞建利在车载视频系统零配件行业是最值得信任的公司之一。我们提供专业的OEMS、批发、零售服务，和高质量的产品设计。我们的团队致力于为客户提供最优质的产品和最满意的服务。坚持以客户为中心，以专业知识解决客户线材的问题。

**Service:** Jianli Electric Cable is one of the most trusted names in vehicle vision accessories products and cctv products. We serve OEMs, wholesale, and retails with reliable high quality cables designed to operate in harsh environments. Our team is committed to providing a quality product at an affordable price with unbeatable customer service. Adhere to the customer as the center, to offer client the most suitable cable solution by our professional knowledge.

## 航空公母头延长线 Aviation female and male extension cable

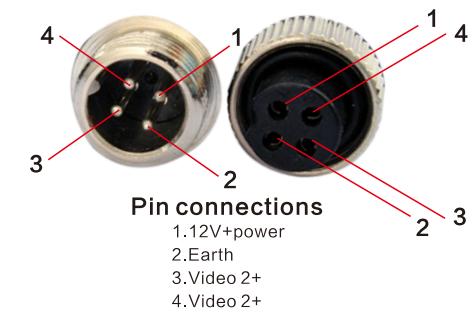

### Description:

**Application:** Signal transmission for the bus, container truck, train, school bus, car, special vehicle .  
**conductor:** copper  
**insulating material:** PVC  
**connection type:** aviation plug for 3pin,4pin,5pin,6pin  
**length:** 5M,10M,15M,20M(optional)  
**Certification:** CE,FCC,RoHS  
**Special features:** connector equipt with lock device offering stable mounting and well signal transmission,waterproof,shielding.  
 Accept special customization against oil,UV,very low temperature,etc.

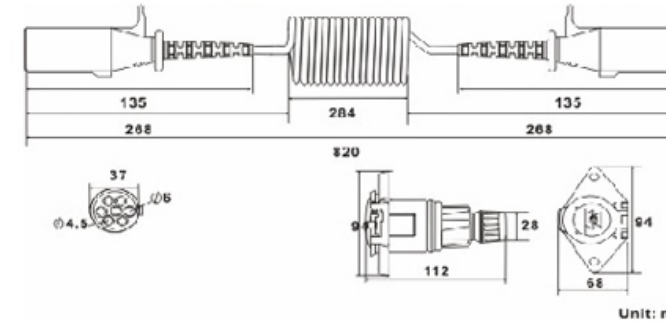

### 产品说明

**应用:** 用于大巴车, 货柜车, 火车, 校车, 小车, 特种车的信号传输  
**导体材质:** 铜  
**绝缘材质:** PVC  
**连接器类型:** 航空插头3P, 4P, 5P, 6P  
**线材长度:** 5米, 10米, 15米, 20米 (可选任意长度)  
**证书:** CE, FCC, RoHS  
**特点:** 插头带锁紧装置, 连接十分可靠, 信号传输稳定, 抗干扰强, 防水可特别定制抗油, 耐低温, 抗紫外线等特殊要求线材

4-Pin Waterproof Video and Power Cable

## 拖车卷线/Truck Trailer Spiral Cable

### Description:

**Application:**Signal transmission for Trailer, Logistics Vehicles, Engineering Vehicles, Special Vehicle .  
**conductor:** copper  
**insulating material:**PVC  
**connection type:**trailer plug for 5pin,7pin  
**length:**Spiral cable for 4 meters(optional)  
**Certification:**CE,FCC,RoHS  
**Special features:**connector equipt with lock device offer stable mounting and well signal transmission,waterproof,shielding.  
 Accept special customization against oil,UV,very low temperature,etc.

### 产品说明

**应用:** 用于拖挂车, 物流车, 工程车, 特种车的信号传输  
**导体材质:** 铜  
**绝缘材质:** PVC  
**连接器类型:** 拖车插头5P, 7P  
**线材长度:** 卷线4米 (其他可选任意长度)  
**证书:** CE, FCC, RoHS  
**特点:** 插头带锁紧装置, 连接十分可靠, 信号传输稳定, 抗干扰强, 防水可特别定制抗油, 耐低温, 抗紫外线等特殊要求线材

## 13P显示屏线材/13 PIN cable for monitor

### Description:

**Application:**for vehicle monitor,support signal transmission of multi ways  
**conductor:** copper  
**insulating material:**PVC  
**connection type:**13 Pin connect aviation plug for 4pin,5pin  
**length:**1.8M(optional)  
**Certification:**CE,FCC,RoHS  
**Special features:** signal transmission,good shielding,transmission for many types for vedio good shielding.  
Accept special customization against oil,UV,very low temperature,etc.

### 产品说明

**应用:** 用于车载显示屏, 支持多路视频同时传输  
**导体材质:** 铜  
**绝缘材质:** PVC  
**连接器类型:** 13P插头转航空4P, 5P  
**线材长度:** 1.8米 (可选任意长度)  
**证书:** CE, FCC, RoHS  
**特点:** 信号传输稳定, 抗干扰强, 多路视频不会相互干扰  
可特别定制抗油, 耐低温, 抗紫外线等特殊要求线材

## BNC+DC监控延长线/BNC+DC Monitor Extension Cable

### Description:

**Application:**signal transmission for monitor and camera.  
**conductor:**copper  
**insulating material:**PVC  
**connection type:**BNC+DC plug  
**length:**5M,10M,15M,20M(optional)  
**Certification:**CE,FCC,RoHS  
**Special features:**device offer stable mounting,well signal transmission,good shielding  
Accept special customization against oil,UV,very low temperature,etc.

### 产品说明

**应用:** 用于监控摄像头的信号传输  
**导体材质:** 铜  
**绝缘材质:** PVC  
**连接器类型:** BNC视频插头+DC电源插头  
**线材长度:** 5米, 10米, 15米, 20米 (可选任意长度)  
**证书:** CE, FCC, RoHS  
**特点:** 连接可靠, 信号稳定, 抗干扰强  
可特别定制抗油, 耐低温, 抗紫外线等特殊要求线材

## 客户定制产品/Customized Product

**客户定制产品:** 可以根据客户需求定制所有特殊插头模具, 线材。此页为客户专用插头模具。

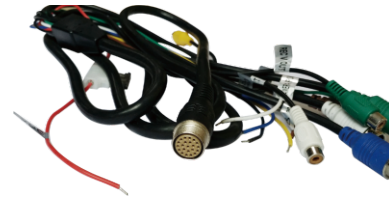

**Customized Product:** Application:Able to customize all kinds of special plug mould & cable according to customers'requirement.professional moulds of customized connectors

6P插头公母线,  
6PIN aviation female and  
male extension cable

22P公插头线,  
22 pin male plug cable

22P母插头线,  
22 pin female plug cable

20P母插头,  
20 pin female plug

特4P公插头,  
special 4 pin  
male aviation plug

20P公插头,  
20 Pin male plug

特4P母插头,  
special 4 pin  
female aviation plug

## 带锁扣S端子公母线/MINI DIN With New Aviation Male And Female Cable With Lock

### Description:

**Application:**Signal transmission for the bus, container truck, train, school bus, car, special vehicle .

**conductor:** copper

**insulating material:**PVC

**connection type:**MINI DIN with aviation plug cable with lock,3PIN,4PIN,5PIN,6PIN,7PIN,8PIN,9PIN

**length:**5M,10M,15M,20M(optional)

**Certification:**CE,FCC,RoHS

**Special features:**connector equipt with lock device offer stable mounting and well signal transmission,waterproof,shielding. Accept special customization against oil,UV,very low temperature,etc.

**应用:** 用于大巴车, 货柜车, 火车, 校车, 小车, 特种车的信号传输

**导体材质:** 铜

**绝缘材质:** PVC

**连接器类型:** S端子插头带锁扣, 3P, 4P, 5P, 6P, 7P, 8P, 9P

**线材长度:** 5米, 10米, 15米, 20米 (可选任意长度)

**证书:** CE, FCC, RoHS

**特点:** 插头带锁紧装置, 连接十分可靠, 信号传输稳定, 抗干扰强, 防水可特别定制抗油, 耐低温, 抗紫外线等特殊要求线材

## 5P航空公母插头线/5 PIN Aviation Male And Female Cable

### Description:

**Application:**Signal transmission for the bus, container truck, train, school bus, car, special vehicle .

**conductor:** copper

**insulating material:**PVC

**connection type:**5 pin aviation plug

**length:**5M,10M,15M,20M(optional)

**Certification:**CE,FCC,RoHS

**Special features:**connector equipt with lock device offer stable mounting and well signal transmission,waterproof,shielding. Accept special customization against oil,UV,very low temperature,etc.

**应用:** 用于大巴车, 货柜车, 火车, 校车, 小车, 特种车的信号传输

**导体材质:** 铜

**绝缘材质:** PVC

**连接器类型:** 5P航空插头

**线材长度:** 5米, 10米, 15米, 20米 (可选任意长度)

**证书:** CE, FCC, RoHS

**特点:** 插头带锁紧装置, 连接十分可靠, 信号传输稳定, 抗干扰强, 防水可特别定制抗油, 耐低温, 抗紫外线等特殊要求线材

## 13P公母线/13 PIN male and female cable

### Description:

**Application:**multi signal transmission

**conductor:** copper

**insulating material:**PVC

**connection type:**13 Pin plug

**length:**1M,5M,10M,etc.(optional)

**Certification:**CE,FCC,RoHS

**Special features:**device offer stable mounting,well signal transmission,good shielding. Accept special customization against oil,UV,very low temperature,etc.

**应用:** 用于多信号传输

**导体材质:** 铜

**绝缘材质:** PVC

**连接器类型:** 13P插头

**线材长度:** 1米,5米, 10米等 (可选任意长度)

**证书:** CE, FCC, RoHS

**特点:** 连接可靠, 信号稳定, 抗干扰强

可特别定制抗油, 耐低温, 抗紫外线等特殊要求线材

### 4P航空母头摄像头线/4 PIN Aviation Female Cable

**Description:**

**Application:**Signal transmission for vehicle camera

**Conductor:** copper

**insulating material:**PVC

**connection type:**4 pin aviation plug

**length:**0.4M(optional)

**Certification:**CE,FCC,RoHS

**Special features:**connector equipt with lock device offer stable mounting and well signal transmission,waterproof,shielding. waterproof jakcet, cable clip available.

**应用:** 用于车载摄像头信号传输

**导体材质:** 铜

**绝缘材质:** PVC

**连接器类型:** 4P航空插头

**线材长度:** 0.4米 (可选任意长度)

**证书:** CE, FCC, RoHS

**特点:** 插头带锁紧装置, 连接十分可靠, 信号传输稳定, 抗干扰强, 防水,可选配卡线头, 防水套

### 4P摄像头线/4 PIN MINI Din With New Aviation Cable

**Description:**

**Application:**Signal transmission for vehicle camera

**Conductor:** copper

**insulating material:**PVC

**connection type:**4 pin MINI Din with new aviation plug

**length:**0.4M(optional)

**Certification:**CE,FCC,RoHS

**Special features:**connector equipt with lock device offer stable mounting and well signal transmission,waterproof,shielding. waterproof jakcet.

**应用:** 用于车载摄像头信号传输

**导体材质:** 铜

**绝缘材质:** PVC

**连接器类型:** 4P新航空公插头 (带锁扣S端子)

**线材长度:** 0.4米 (可选任意长度)

**证书:** CE, FCC, RoHS

**特点:** 插头带锁紧装置, 连接十分可靠, 信号传输稳定, 抗干扰强, 防水,可选配卡线头, 防水套。

### 13P显示器引出线/13 pin CCTV Camera Leader cable

**Description:**

**Application:**Signal transmission for vehicle monitor

**Conductor:** copper

**insulating material:**PVC

**connection type:**13 pin male plug(20PIN,22PIN optional)

**length:**0.4M(optional)

**Certification:**CE,FCC,RoHS

**Special features:**device offer stable mounting,well signal transmission,good shielding signal transmission for multi ways

**应用:** 用于车载显示器的信号传输

**导体材质:** 铜

**绝缘材质:** PVC

**连接器类型:** 13P公插头 (还有20P, 22P插头供选择)

**线材长度:** 0.4米 (可选任意长度)

**证书:** CE, FCC, RoHS

**特点:** 连接可靠, 信号传输稳定, 抗干扰强, 可传输多路信号

### 其他产品/The other products
