**New  
Wireless  
Technology**

**DOT/E-MARK Compliant**

**Manufacturer of LED Trailer/Truck/RV Light**

## FACTORY INSTRUCTION

NINGBO TOPSHINE LIGHTING TECHNOLOGY CO.,LTD is a whole New factory based a more than 10years experience on LED trailer light, RV light,Truck light, Warning light, Clearance marker, reflector production filed. In 2019 and 2020, we will focus on wireless light technology project, it is a trailer light industrial revolution !

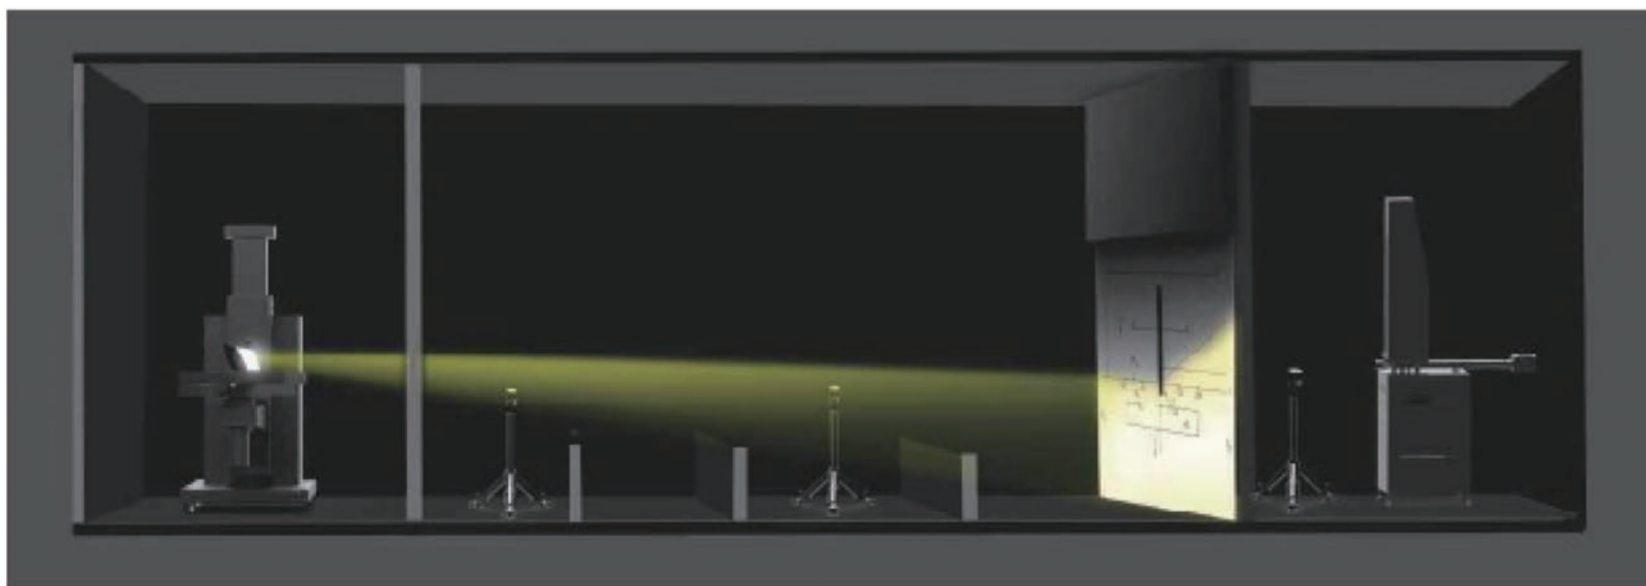

All of our lights have been approved by DOT&SAE or E-Mark certificate by standard testing lab, also we have DOT/E-MARK Photometric testing equipment, Environment testing equipment, etc and 100% inspection work on the production line which can guarantee each light meet up customer quality request by the test report date. We have full experience and strong technology. Team that have capacity and focus on to develop wireless, solar and APP technology on the trailer lights.

TOPSHINE will be a pioneer on the wireless trailer light market in china in the next years.

Quality and Honest business behave is our factory's first Ruler of Survival !

We welcome and cooperate with all of our respected customer.

## OUR TESTING MACHINE:

PHOTOMETRIC TESTING MACHINE FOR DOT FMVSS 108

LED TESTING EQUIPMENT

**Light No: 101001**

**Production Name:** 12V Submersible LED Boat Trailer Tail Light Kit

**Description:**

- The Kit includes:** 2 combination stop, tail, turn signal lights, 2 amber LED marker lights, 25-ft 18gauge pure cooper wiring harness, license plate bracket and mounting hardware bag.
- Waterproof and Submersible Feature:** sonic welding housing and glue inside
- Complies with DOT FMVSS 108**

**Light No: 101002**

**Production Name:** 12V Rectangular LED Low Profile Submersible Tail Boat Trailer Lights kit

**Description:**

- The Kit includes:** 2 combination Submersible running/stop/tail/turn signal/license plate lights, license plate bracket and Mounting Hardware, 25ft length of 4 pin 18Gauge pure copper wiring Harness.
- Waterproof and Submersible Feature :** sonic welding housing and glue inside
- Complies with DOT FMVSS 108**

**Light No: 101004**

**Production Name:** 12V Submersible LED Boat Trailer Tail Light Kit Over 80'wide

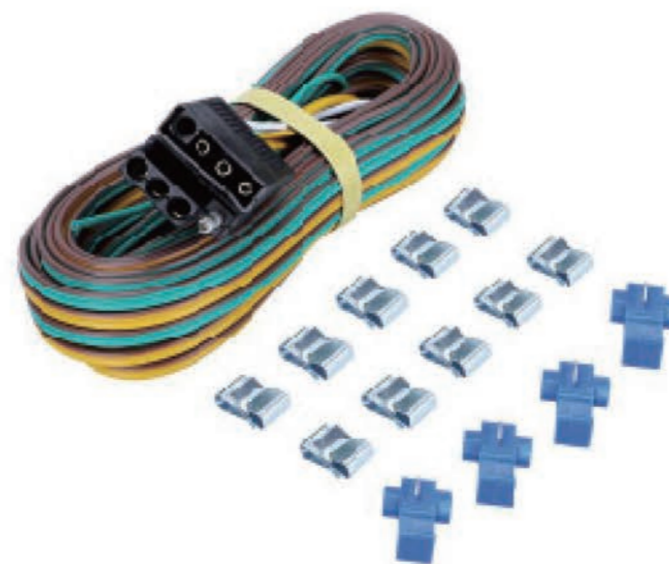

**Description:**

- The Kit includes:** 2 combination Submersible running/stop/tail/turn signal/license plate lights, license plate bracket and Mounting Hardware, 25ft length of 4 pin 18Gauge pure copper wiring Harness.
- Waterproof and Submersible Feature :** sonic welding housing and glue inside
- Complies with DOT FMVSS 108**

**Light No: 101021**

**LED Side Marker Light (4 DIODES)**

**Part No: 102016**

**25ft /18Gauge Pure Copper Wire Harness**

**Part No: 101013**

**Aluminum License Plate Light Bracket**

**Light No: 101018/101018R**

**Production Name:** 12V LED Magnetic Towing Light Kit

**Description:**

- The Kit includes:** 2 Magnetic LED tow lights lights, 20-ft wiring harness, 4 standard pin connectors. Wire distance between lights is 7ft.
- 70 pounds High magnetic strength**
- Complies with DOT FMVSS 108**

**Light No: 101506/101506R**

**Production Name:** 12V Double-side Magnetic Towing Light Kit

**Description:**

- 2 Magnetic tow lights lights, 20-ft wiring harness, 4 standard pin connectors. Wire distance between lights is 7ft.
- 70 pounds High magnetic strength**
- Complies with DOT FMVSS 108**

**Light No: 101018PR**

**Production Name:** 6" LED Waterproof Oval Rear Stop Turn Signal Parking Tail Brake trailer Lights

**Description:**

- Overall Light Size(Included Rubber Grommet ): 7-5/16"x3"x1"**
- Waterproof and Submersible Feature:** sonic welding housing and glue inside
- Each light have 10-diodes**
- Complies with DOT FMVSS 108**

**Light No: 101015**

**Production Name:** LED Hitch Cover Brake Light

- 12 Diodes**
- Fits standard 2" x 2" hitch**
- Brake light, Rear fog light function**

**Light No: 101201**

**Production Name:** LED License Plate Light kit

- Aluminum Light Holder**
- 5050-SMD Three-core White Lamp**
- **Waterproof design**

**Light No:101203**

**Production Name:** LED License Plate Tag Light kit

- 100LM 6PCS 2835-SMD diodes**
- **Waterproof design**
