安婷妇幼
ANTING SANITARY

JINJIANG ANTING SANITARY PRODUCTS CO.LTD.

Is one of the new sanitary products enterprise of ANTING INTERNATIONAL (HOLDING) CO.LIMITED. Which includes R&D Innovation and Technology improvement. Specialized in the production of UNI4STAR&PANPANSOFT baby diapers & sanitary napkins, wet wipes, adult diapers, pull up diapers, and all raw materials for producing the sanitary napkins & baby diapers series products.

Our factory covers an area of 50,000m², with a RMB800 million total investment. We have dozens of automated production lines and a large and high-quality R & D team, which included three doctoral and eight graduate students. We are qualified for producing high-quality products with modern standard temperature dust-free production workshop and strict quality control system.

We mainly do OEM with the customers' own logo. "Win-win" is our persistent business principle. Anting has a long-term strategy which is developing new products so that we can offer our customers the newest items in the world market and meet the needs of our customers. We will guarantee the quality of the products and the competitive prices in the market and provide the first-class services.

Beauty & Care

Has the love to have the health!

Special designed shape is closer to your body curves and protect leakage completely.

Elasticity and trendy wings help to hold the pad

in place and help to protect your panties.

Super breathable bak sheet can eliminate the hot air to make you more comfortable.

New surface designed to lock in fluid, Keeping the surface

The super-absorbent blue convex core solidifies moisture and holds it in the inner part of the pad.
