Originated from Jiangmen Shongli Rearview Mirror Industrial Co., Ltd, JIANGMEN SHILIDUO AUTO PARTS CO., LTD develops rapidly in led lamp manufacturing. With comprehensive electronic, optical, thermal testing and related laboratory equipment in the 33000 square meter plant, SHILIDUO owns separate designing, developing and manufacturing department. SHILIDUO launches more than 100 new products to market each year. And it keeps increasing year by year.

With 50 engineers,80 technicians and professional QA team in over 1000 employees, it has strict principles for its process and quality management. SHILIDUO already got the certification of ISO9001, IATF16949, E-MARK and DOT for lamps. The lamps are all inspected in each station; no failure can be passed to next station. Every piece of the lamp is certificated and qualified.

Adopt the latest sonic sealing technology and SMD as the light source; its lamps are IP66 with good performance in water resistance. The brightness of SHILIDUO LAMP is three to six times brighter compared with other normal led lamps. The lens has strong resistance in color fading up, deformation, and hardness.

Nowadays, SHILIDUO lamps have already been sold to America, Japan, Dubai, Thailand, Philippines, Vietnam, Pakistan, Chile ,Malaysia ,Russia,Australia, Mexico etc. They are taking up the market fast with their high quality and our impeccable after-sale service.
