

Guangzhou Chuan Sui Trading Co., Ltd

Denim skirt catalogue

WOMEN'S MODEL

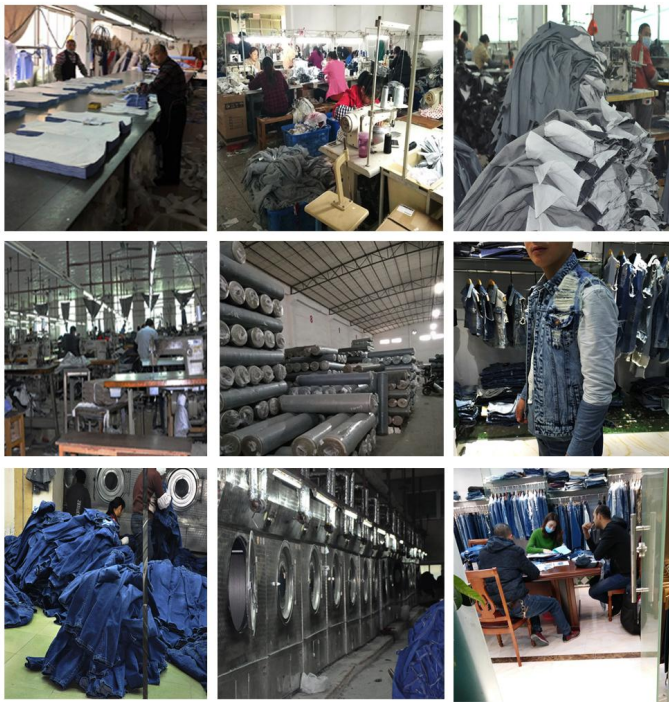

Our factory has been established in 2004 years, we mainly produce export clothing factory and we have specialized experiences production and manufacturing, our first line worker have production experience over 3years, the designer has more than ten years of work experience.

We are a professional garment manufacturing factory, GUANGZHOU, CHINA, OEM&ODM is welcome.

We mainly produce jeans, denim clothes, denim shirts etc.

OUR ADVANTAGES

1. Our factory is located in the city of Guangzhou and the Xintang Garment Industrial Park, we engaged in production, can purchase the relatively cheap high quality raw materials and control the production cost, we also can provide the customers with the market competitiveness of products.
2. About the transportation we can provide a variety of options, such as DHL, UPS, Ocean shipping. Air freight, we can ship the goods to the customer's address as soon as possible.
3. We have over ten years of first-line production experience, our company with strict standards to control production quality and production process, ensure quality and efficiency. To grasp the trend of international market, we can offer the best advice to our customers too. At last our aim is to form a win-win situation with our client.

Taylor.
