## Conclusion

TPE is the most cost-effective one for yogis.  
 Similar functions with Natural Rubber yoga mat, but price is cheaper.  
 It suitable for all kinds of yogis, no matter new beginner or senior yogis.  
 It can be printed pattern or position line in UV printing, digital printing and laser carving.  
 It can be combined with cork and suede pattern.  
 The TPE can be more colorful and beautiful than other material yoga mats.
