Company Profile

Carmelton Company Ltd. is a Hong Kong based enterprise with a self-owned factory in Dongguan , China , produces and provides comprehensive range of absorbent hygiene products .

Established in Hong Kong in 1993 with the strong backbone of the Carmelton Group of Companies , Carmelton grows with an appreciable investment capital of more than US\$20 million dollars .

The Company's products are now sold in more than 50 countries through mass merchandisers , importers , wholesalers to hypermarkets , chain pharmacies,hospitals , grocery stores , in many developed and developing markets .

Company Profile

Our company headquarters are located on Hong Kong Island , situated in a 40 - storey office tower next to the central business district and the International Financial Centre , facing the world renowned Victoria Harbour .

With 3,000 square feet office space , Carmelton Hong Kong headquarters has over 20 staff members managing the company's administration , finance , marketing and external communications with clients in Hong Kong and overseas .

We have a strong foundation and solid businesses operating in Hong Kong , with hundreds of stores selling our products including leading supermarket and pharmacy chains .

Factory

Our Factory in Dongguan
Located in the Carmelton
Avenue, Jiu Mei Ling, Lu Bian
Industry District, Cha Shan,
Dongguan, China

The factory consists of functional areas including the warehouse, production lines, packaging area, quality assurance, loading bay, accommodation and other entertainment facilities.

HKCBMIA

香港孕嬰童業協會

HONG KONG CHILDREN, BABIES,
MATERNITY INDUSTRIES ASSOCIATION

Organized and chartered by our CEO Mr. Wilfred Li on 9th September, 2016, HKCBMIA was established with the mission to support the innovation of the member enterprises in Hong Kong and to showcase development in the industries outside Hong Kong. By gathering partners in the children, babies, and maternity industry, HKCBMIA creates synergies among participating members and provides a platform for knowledge exchange & project collaboration. Within a short time frame, HKCBMIA has already been sponsored by the HKSAR Government with generous funding to exhibit members' products and service offerings in two cities in China and four countries overseas.

HKFSCI

Hong Kong Federation of
Senior Citizen Industries

香港長者產業聯會

HKSCI, established on September 2017, serves as an important community for leaders and experts in the elderly industry to work together to create a better future for the aging society. As the vice president of HKSCI, CEO Mr. Wilfred Li aims to tackle the problem of increasing aging population with many member companies by chartering projects including smart incontinence care system development and connecting the supply with the demand in the elderly industry.
