# COMPANY PROFILE

Changzhou Miki Auto Parts Co., Ltd was established in 2013, located in Changzhou City, Jiangsu Province, China. Closed to Shanghai. There is a natural geographic and transportation advantages.

We are mainly engaged in Japanese and Korean auto lamp, bumper, grille, inner lining, side mirror and bonnet, fender and also other body parts, distribution of wholesale auto accessories best-selling consumer market, our mainly market is in Western Africa, and also sell to other African countries and markets. Specially in Ghana market we have our brand MIKI AUTO PARTS popular already. We will expand the product market share in the Ghana market

We enjoy a high status among consumers, our company with many foreign trade companies and foreign customers to establish long-term, stable relations of cooperation. The car parts we distributed is complete, and price is reasonable, we keep the contract, guarantee product quality, with many varieties management characteristic and the meager profit but high turnover principle, has won the trust of customers. Welcome the masses of customer consultation and negotiation!

- Management idea: High quality products, low price and best service!
- Development idea: On the basis of domestic sales to develop foreign direct sales, foreign sales oriented to promote domestic sales!
- Development goals: To become the domestic and international well-known auto parts sales company!
